

RUBY KUMARI

Python Developer | Software Engineer (Fresher)

+91 7258043987 | rubykumari8826692@gmail.com | linkedin.com/in/ruby-kumaria66a2a2aa

PROFESSIONAL SUMMARY

Computer Science and Engineering graduate (B.Tech, 2026) and fresher Python Developer with hands-on project and internship experience in software development. Skilled in Python fundamentals and web development basics, with a genuine interest in writing clean, efficient code. A quick learner with strong problem-solving ability and a collaborative, detail-oriented approach.

TECHNICAL SKILLS

Programming Languages: Python, C++ (Basics)

Web Development: HTML5, CSS3, JavaScript (Fundamentals)

Tools & Platforms: Git, GitHub, VS Code, Command Line

Professional Skills: Problem Solving, Quick Learning

PROJECTS

Python Face Emotion Detection System — **Personal Project**

- Designed and developed a Python application that detects human facial emotions from static images and live camera input, applying core OOP principles and file-handling techniques.
- Structured the project into distinct input-handling, processing, and output-presentation modules, resulting in cleaner, more maintainable code.
- Authored complete project documentation covering setup, workflow, and outcomes to support demonstration, review, and future enhancement.

INTERNSHIP EXPERIENCE

Software Development Intern — **IoT Invigo Info Tech** 6 Months

- Collaborated within a professional development environment, gaining practical exposure to real-world software project workflows and technical problem-solving.
- Contributed to structured technical documentation and improved understanding of organized task execution and team communication.

Software Development Intern — **ML CSECODER Pvt. Ltd.** 4 Weeks

- Completed an intensive 4-week internship applying technical learning to hands-on, project-based assignments.
- Practiced professional documentation standards and structured problem-solving methods within a collaborative team setting.

EDUCATION

B.Tech, Computer Science and Engineering — CGPA: 7.2 2022 – 2026

Government Engineering College, Siwan (Bihar Engineering University, Patna)

Intermediate (Science) — 60% 2022

M.R.D.A.S H/S cum Inter College, Bahuaratham, Saran (BSEB)

Secondary / Matriculation — 62% 2020

M.R.S.D H/S, Bahua Math, Saran (BSEB)

ADDITIONAL INFORMATION

Languages: Hindi (Fluent), English (Fluent)

Interests: Software Development, Programming, Learning New Technologies
